

Widgets

## INSTALLATION GUIDE

### for Openpay Product Calculator Widget Extension for Magento 1

#### Step 1 :

Go to your projects root folder & then upload files and folder to the root.

If you have any custom theme then upload theme files to the current theme (app/design/frontend/<Your package>/<Your Theme>).

#### Step 2 :

Then login to magento admin panel: **SYSTEM -> Configuration -> OPENPAY WIDGET -> Widget Setup**

#### 1. Enable the module :

Expand 'Openpay Widgets Configuration' & set 'Yes' value against 'Enable Widgets' field.

This is a demo store. Any orders placed through this store will not be honored or fulfilled.

Enable Calculator widget	Enable	<a href="#">[STORE VIEW]</a>
--------------------------	--------	------------------------------

Price Calculator Widget

Pop Up Info Text Configuration (Header Top)

Product Calculator Widget

Click on '**Save Config**'.

## 2. Set up 'Product Calculator' widget :

Expand '**Product Calculator** widget' & fill out the fields as required.

The screenshot shows the Magento Admin Panel interface. On the left is a sidebar with a 'Configuration' menu. The main content area is titled 'Widget Setup'. Under 'General Widget Configuration', the 'Product Calculator Widget' is expanded. It shows three configuration fields: 'Product Calculator widget status' set to 'Enable', 'Deposit Percentage' set to '10', and 'Pay of month' set to '3'. Each field has a 'STORE VIEW' link to its right. At the bottom of the configuration area, there is a 'Cart Drop Down Accelerator Setting' section which is currently empty.

Product Calculator widget status: Enable

Deposit Percentage : 10

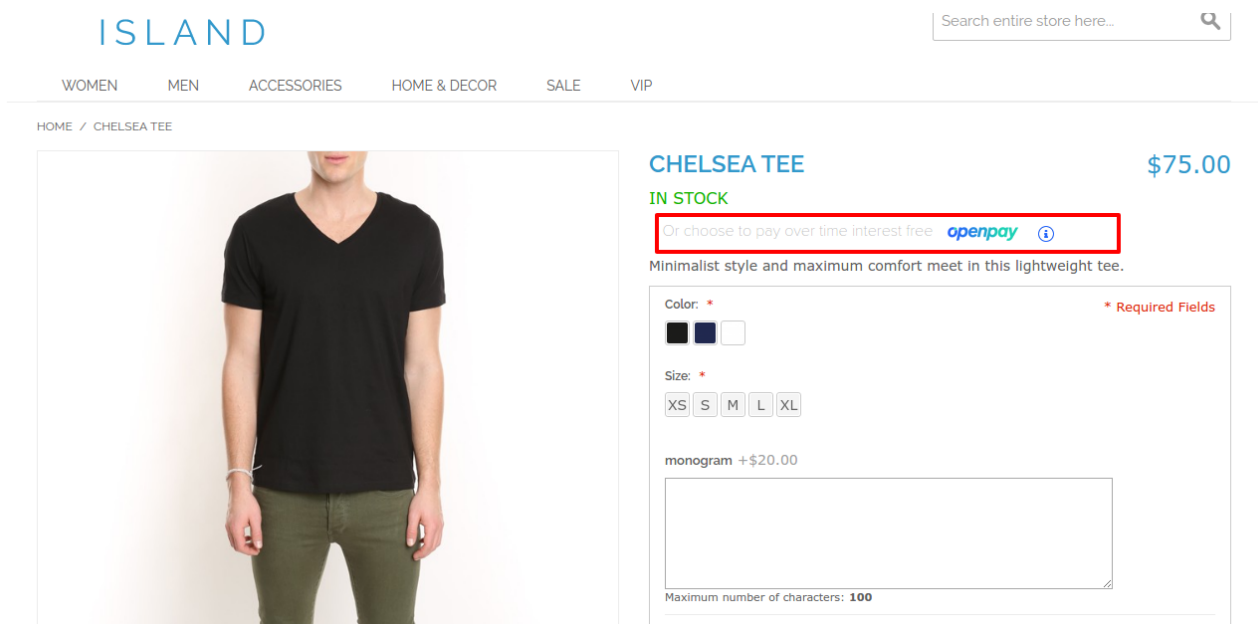

Pay of month : 3

Click on '**Save Config**'.

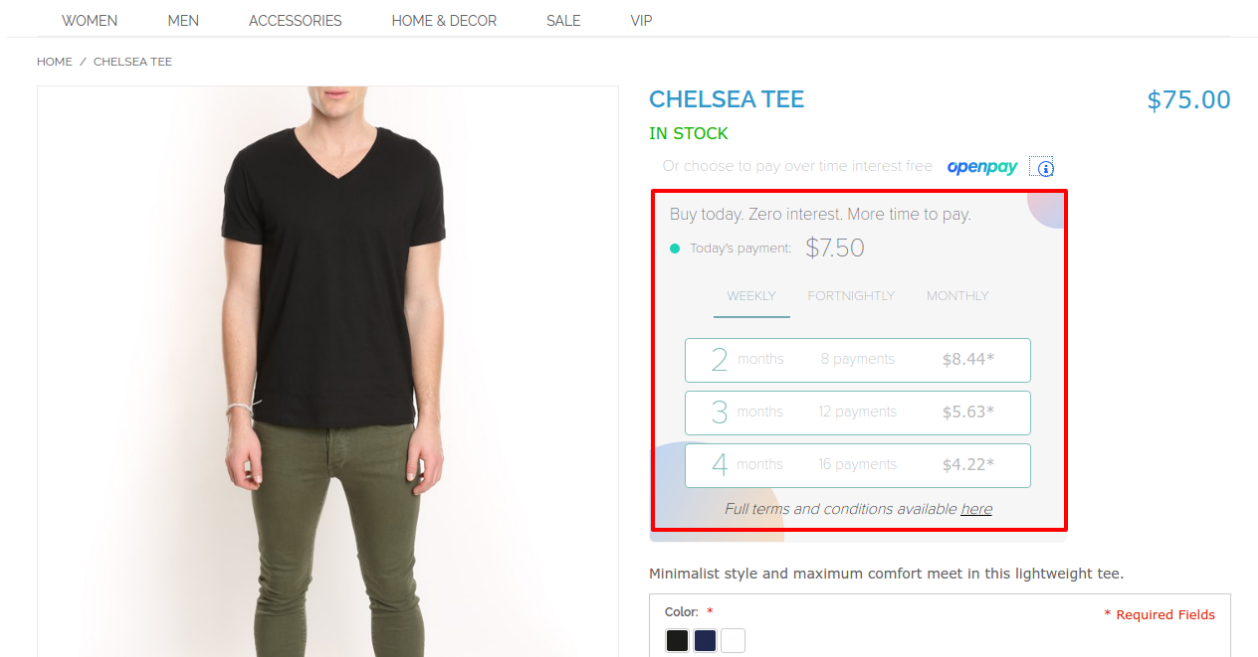

## Frontend View :

### 'Product Calculator' widget :

If module is enabled from admin , it will comes in product details page.

Now click on **'i' icon** once, calculator will be display as slidedown.  
Please check below image...

(here you can check openpay price as weekly, fortnightly, monthly order.)  
Click on **'i' icon** again , Calculator will be hide.
